

## TABLE OF CONTENTS

	Page
 SECTION 1: GENERAL	
Status of Bighorn Sheep of Banff National Park T. Skjonsberg .....	1
Status and Distribution of Rocky Mountain Bighorn Sheep in Utah T. S. Smith et al .....	5
Foraging Behaviors Among Different Age and Sex Classes of Rocky Mountain Goats E. Holmes .....	13
Do Persisting Matrilineal Groups Partition Resources on Mountain Goat Winter Ranges? M. A. Masteller and J. A. Bailey .....	26
Toward a Working Hypothesis for Mountain Sheep Management W. E. Heimer .....	39
Permit Auction: The Good, The Bad, and The Ugly G. L. Erickson .....	47
Recommendations of the Northern Wild Sheep and Goat Council Regarding the Use of Special Big-game (Governor's) Permits for Funding Wildlife Programs .....	55
 SECTION 2: PARASITES AND DISEASES	
The Lostine Rocky Mountain Bighorn Sheep Die-off and Domestic Sheep V. L. Coggins .....	57
Fatal Pasteurella Hemolytica Pneumonia in Bighorn Sheep Following Direct Contact With Normal Domestic Sheep: An Experimental Study (Abstract Only) W. J. Foreyt .....	65
A Penumonia Epizootic in Bighorn Sheep, With Comments on Preventive Management M. Festa-Bianchet .....	66
Lungworm Surveillance in Bighorn Sheep: Possible Applications for Population Density Estimates and Range Use Assessment D. E. Worley et al .....	77
Lungworm Larvae Discharge Levels Within the Ural-Tweed Bighorn Sheep Population C. A. Yde et al .....	84

(Table of Contents cont'd)

	Page
Aspects of the Life Cycle of Protostrongylus Stilesi (Nematoda, Protostrongylidae) in Bighorn Sheep With Emphasis on Environmental Influences on Excretion of Lungworm Larvae in Feces B. Fougere-Tower and D. K. Onderka .....	91
Bronchoalveolar Lavage Technique in Bighorn Sheep: Use in Immediate Lungworm Diagnosis and Cell Function Tests R. M. Silflow and W. J. Foreyt .....	98
 SECTION 3: DEVELOPMENT IMPACT	
Seasonal and Spatial Distribution of Bighorn Sheep at an Open Pit Mining Site in the Alberta Foothills B. MacCallum .....	106
Environmental Impact of the 1988 Winter Olympics on Bighorn Sheep of Mt. Allan J. T. Jorgenson .....	121
Attraction of Bighorn Sheep to Wellsites and Other Man-Made Mineral Licks Along the Eastern Slopes of Alberta: A Management Concern L. E. Morgantini and E. Bruns .....	135
Behavioral Response and Habituation of Mountain Goats in Relation to Petroleum Exploration at Pinto Creek, Alberta D. F. Penner .....	141
Bighorn Sheep Use of a Gas Wellsite During Servicing and Testing: A Case Study of Impact Mitigation L. E. Morgantini and B. W. Worbets .....	159
Drilling in Sheep Country: Gas Development at Prairie Bluff, Alberta D. A. Mead and L. E. Morgantini .....	165
Mountain Goat Status, Black Hills, South Dakota T. A. Benzon and L. A. Rice .....	168
 SECTION 4: POPULATION DYNAMICS	
The Bear Mountain Bighorn Sheep Transplant Research Project: A Progress Report T. S. Smith et al .....	184

(Table of Contents cont'd)

	Page
How Much Difference Do Different Techniques Make in Assessing Bighorn Population Trends? L. R. Irby et al .....	191
Simulated Field Test of Age and Sex Classification Criteria For Mountain Goats B. L. Smith .....	204
Seasonal Movements and Distribution Patterns of a Reintroduced California Bighorn Sheep Herd Following Transplant in the Sierra Nevada, California L. S. Chow and P. E. Moore .....	210

SECTION 5: HABITAT AND NUTRITION

A Strategy for Prescribed Burning Bighorn Sheep Range in Winter P. M. Woodard and T. Vannest .....	219
Design, Implementation, and Initial Reponse of Selected Habitat Treatments within the Ural-Tweed Bighorn Sheep Range D. L. Young and C. A. Yde .....	229
Seasonal Food Habits of a Population of Bighorn Sheep in Northwestern Montana as Determined by Microhistologic Examination of Fecal Material G. W. Brown and C. A. Yde .....	240
Home Ranges, Habitat Use and Productivity of Bighorn Sheep in the Never-Summer Mountains, Colorado N. Goodson and D. R. Stevens .....	254
Effect of Interspecific Disturbance on Foraging Behavior of Bighorn Sheep at a Wild Horse Range (Abstract Only) K. P. Coates et al. ....	268
A Magnesium-Driven Hypothesis of Dall Sheep Mineral Lick Use: Preliminary Tests and Management Relevance W. E. Heimer .....	269
Application of Remote Sensing and Terrain Modelling to the Analysis and Mapping of Dall's Sheep Winter Habitat in the Yukon Territory (Abstract Only) L. Crooks .....	280
Measuring Seasonal Movements of a Male Dall Sheep by Satellite Telemetry (Abstract Only) M. C. Hanson .....	281

(Table of Contents cont'd)

	Page
SECTION 6: WINTER AND PREDATION IMPACT	
Snow Depth as a Likely Factor Contributing to the Decline of a Sheep Population in the Central Yukon (Abstract Only) N. Barichello and J. Carey .....	282
The Impact of Coyote Predation on Lamb Mortality Patterns at the Junction Wildlife Management Area D. Hebert and S. Harrison .....	283
Selective Predation by Cougar Within the Junction Wildlife Management Area S. Harrison and D. Hebert .....	292
The Effect of Wolf Reduction on Dall Sheep Demography in the Southwest Yukon (Abstract Only) N. Barichello and J. Carey .....	307
Factors Affecting the Population Dynamics of Mountain Goats in West-Central Alberta K. G. Smith .....	308
Simple Methods of Comparing Winter Snow Conditions on Alpine and Subalpine Ranges of Dall's Sheep and Mountain Goats in Alaska L. Nichols .....	330
