

CONTENTS

SHEEP AND GOAT ECOLOGY AND REPRODUCTION

- Mountain goat subpopulations in the Absaroka Range, south-central Montana
Nathan C. Varley 1
- Variability in lifetime reproductive success of bighorn ewes
Marco Festa-Bianchet and Jon T. Jorgenson 7
- Reproductive success of bighorn sheep in the peninsular ranges of California
Esther Rubin, Walter Boyce, and Charles Hayes 11

PREDATION

- Mountain lion predation on bighorn sheep in the Peninsular Ranges of California
Walter Boyce, Esther Rubin, Charles Hayes, Steve Torres, and Mark Jorgensen 12
- Cougar predation on bighorn sheep in southwestern Alberta
P. Ian Ross, Martin G. Jalkotzy, and Marco Festa-Bianchet 13
- A new look at predator-prey interactions using a simple enzyme kinetic model
Wayne E. Heimer 14

SHEEP POPULATION ESTIMATORS, HABITAT, AND MOVEMENTS

- Comparison of mark-resight population size estimators for bighorn sheep in alpine and timbered habitats
Janet L. George, Michael W. Miller, Gary C. White, and Jack Vayhinger 20
- An analysis of potential factors responsible for the decline in bighorns in the Tom Miner Basin
Kristin Legg, Lynn R. Irby, and Tom Lempke 26
- Seasonal movements and habitat use of the Highland/Pioneer mountains bighorn sheep herd of southwest Montana
William J. Semmens 35
- Establishment of altitudinal migration in a reintroduced bighorn sheep population
Nike J. Goodson, David R. Stevens, and Stephen King 45

NORTHERN WILD SHEEP DISEASE AND PARASITES

- Parasite loads and their relationship to herd health in the Highlands bighorn sheep herd in southwestern Montana
Kerrie L. Hoar, David E. Worley, and Keith E. Aune 57
- A 20-year health evaluation study of a healthy bighorn sheep population in northeastern Washington
William J. Foreyt, Steve Zender, and Rolf Johnson 66
- Literature review regarding the compatibility between bighorn and domestic sheep
Kevin D. Martin, Tim Schommer, and Victor L. Coggins 72
- Overview and preliminary analysis of a bighorn sheep dieoff, Hells Canyon 1995-96
E. Frances Cassirer, Lloyd E. Oldenburg, Victor L. Coggins, Pat Fowler, Karen Rudolph, David L. Hunter, and William J. Foreyt 78

STATUS AND MANAGEMENT

Rocky Mountain bighorn sheep in Oregon, History and present status <i>Victor L. Coggins and Patrick E. Matthews</i>	87
Social dominance, reproductive success and birth sex ratio in Rocky Mountain goats: A preliminary report <i>Steeve D. Côté and M. Festa-Bianchet</i>	93
Preliminary results of using transplants to restock historically occupied mountain goat ranges <i>Jon T. Jorgenson and Richard Quinlan</i>	94
Social combat: homology in mountain sheep dominance fighting and controversy in wildlife management <i>Wayne E. Heimer</i>	109
Introductions of mountain goats in the Greater Yellowstone ecosystem: They're here to stay! Or are they? <i>Nathan C. Varley and John D. Varley</i>	113

PROSPECTS FOR HABITAT AND POPULATION RESTORATION AND ECOSYSTEM MANAGEMENT

Application of a GIS-based bighorn sheep habitat model in Rocky Mountain Region National Parks <i>Patricia Y. Sweanor, Michelle Gudorf, and Francis J. Singer</i>	118
Unique aspects of the ecology of bighorn sheep occupying a clay hills-prairie environment in Badlands National Park <i>Michael E. Moses, Bruce Bessken, R. Scott Gamo, Steve Cordts, and Francis J. Singer</i>	126
Using ecoregion planning and management boundaries to manage mountain sheep in the United States: Is it possible? <i>Raymond J. Boyd and Donald J. Armentrout</i>	136

WORKSHOP REPORTS

Workshop Foreword <i>Kevin Hurley</i>	145
Dall sheep and mountain goat trapping and transplanting in ALASKA <i>Wayne E. Heimer and William A. Taylor, Jr.</i>	146
History of transplanting bighorn sheep and mountain goats – ALBERTA <i>Kirby G. Smith, J. Brad Stelfox, and John G. Stelfox</i>	152
History of transplanting mountain sheep – ARIZONA <i>Raymond Lee</i>	156
History of transplanting mountain goats and mountain sheep – BRITISH COLUMBIA <i>Ian W. Hatter and Dan Blower</i>	158
History of transplanting mountain sheep – CALIFORNIA <i>Vernon C. Bleich, Steven G. Torres, John D. Wehausen, and Toby A. Swank</i>	164
History of trapping and transplanting mountain goats and mountain sheep – COLORADO <i>John H. Ellenberger</i>	167

History of transplanting mountain goats and sheep – IDAHO <i>Lloyd E. Oldenburg</i>	172
History of transplanting mountain goats and mountain sheep – MONTANA <i>John J. McCarthy</i>	176
History of transplanting mountain goats and mountain sheep – NEVADA <i>Patrick J. Cummings and Craig Stevenson</i>	182
History of transplanting Rocky Mountain bighorn sheep – NEW MEXICO <i>Amy S. Fisher</i>	184
History of transplanting mountain sheep – NORTH DAKOTA <i>James V. McKenzie</i>	186
History of transplanting mountain goats and mountain sheep – NORTHWEST TERRITORIES <i>Alasdair M. Veitch</i>	188
History of transplanting mountain goats and mountain sheep – OREGON <i>Victor L. Coggins, Patrick E. Matthews, Walt Van Dyke</i>	190
History of transplanting mountain goats and mountain sheep – SOUTH DAKOTA <i>Ted A. Benzon</i>	196
History of transplanting mountain goats and mountain sheep – UTAH <i>Mike Welch</i>	198
History of transplanting mountain goats and mountain sheep – WASHINGTON <i>Rolf Johnson</i>	200
History of transplanting mountain goats and mountain sheep – WYOMING <i>Kevin P. Hurley</i>	205
History of transplanting mountain goats and mountain sheep – YUKON <i>Jean Carey</i>	211

POSITION STATEMENT

Position statement of the IUCN/SSC Caprinae specialist group on the sale of "special" auction or raffle hunting permits for trophy males <i>Marco Festa-Bianchet</i>	212
