

TABLE OF CONTENTS

EFFECTS OF NONHUNTING DISTURBANCE

Winter Recreation and Human Disturbance on Mountain Goats: A Review Nathan Varley.....	7
A Review of the Potential Effects of Winter Recreation on Bighorn Sheep Kristin L.Legg	14

HABITAT AND HABITAT ENHANCEMENT

Wildlife Reclamation Planning Beth MacCallum(abstract).....	21
Habitat Use and Movements of Mountain Goats as Determined by Prototype GPS Collars, Robson Valley , British Columbia Kim G. Poole, Douglas C. Heard.....	22
Evaluation of Bighorn Sheep and Mule Deer Habitat Enhancements Along Kooacanusa Reservoir Bret Stansberry (abstract).....	36
Fire's Place and Use in Habitat and Management within the Sun River Area of West Central Montana Brad McBratney, Dave Shittekiend, Quentin Kujala.....	37

DISEASE

Field Treatment of Bighorns During Pneumonia Die-offs Victor L. Coggins, Patrick E. Matthews.....	41
A Comparison of Population and Health Histories Among Seven Montana Bighorn Sheep Populations Keith Aune, Neil Anderson, David Worley, Larry Stackhouse, James Henderson, Jen'e Daniel.....	46
Predicting Summer Lamb Mortality in Free Ranging Bighorn Sheep Holly Akenson.....	70
Evaluation of Ewe Vaccination as a Tool for Increasing Bighorn (<i>Ovis Canadensis</i>) Lamb Survival Following Pasteurellosis Epidemics E. Frances Cassirer, Karen Rudolph, Pat Fowler, Victor L. Coggins David L. Hunter, Michale W. Miller.....	77

NONNATIVES/PREDATION

Phenotype Evaluation of Free-Ranging European Mouflon (<i>Ovis Orientalis Mustimon</i>) On Kahuku Ranch, South Point Hawaii Michael R. Frisina, R. Margaret Frisina (abstract).....	79
Argali and Blue Sheep on the Tibetan Plateau: Status Update Richard B. Harris, Daniel H. Pletscher.....	80
Comparing Methods to Determine Distribution and Movement Patterns Of Forest-Dwelling Mountain Goats Georgie (Donna) Harrison.....	81
High Predator Densities in Yellowstone National Park may Limit Recovery of Bighorn Sheep Populations from the 1981 Chlamidial Caused Die Off Kayhan Ostovar, Lynn R. Irby.....	96

DENSITY EFFECTS ON POPULATIONS

Mating in Bighorn Sheep: Frequent Mal Reproduction via a High Risk Unconventional "Tactic" John T. Hogg, Stephen H. Forbes (abstract).....	105
Population Dynamics of Bighorn Sheep on the Beartooth Wildlife Management Area, Montana Terry Enk, Dr. Harold Picton, Jim Williams.....	106
Bighorn Sheep Population Dynamics on the Beartooth Wildlife Management Area, Montana Terry Enk, (abstract).....	125
Lessons Learned from Rates of Increase in Bighorn Herds William Wishart, Beth MacCallum, Jon Jorgenson.....	126

POPULATION OVERVIEWS

Status, Harvest and Co-Management of Dall's Sheep in the MacKenzie Mountains, Northwest Territories Alasdair Veitch, Ellen Simmons, Jan Adamczewski, Richard Popko.....	134
History and Current Status of Bighorn Sheep in Northeast Montana Mark G. Sullivan, Al Rosgaard, Thomas S. Stivers.....	154
To be Limited or Not, That is the Question Kurt L. Alt (abstract).....	160

AGAINST THE GRAIN

Consideration of a Biological Approach to Management of Subsistence Sheep Hunting Through Adjustment of Bag Limit Wayne Heimer.....	162
Appendix: Details and Fallout from Dall Sheep Subsistence Management in the Western Brooks Range, August 1998: "Reaping What's Been Sown" Wayne Heimer.....	178
Compensatory Reproduction and Dispersal in an Introduced Mountain Goat Population in Central Montana James S. Williams (abstract).....	194
What We Learned About Harvest Management of Alaskan Dall Sheep (1971-1997) Wayne E. Heimer.....	195

POPULATION MONITORING

Average Age of Harvest: What is it Really Telling US? Jean Carey, Michael Dehn.....	207
Comparison of Bighorn Ram Horn Growth Between Original Sun River Population and Three Transplanted Populations: Heredity or Environment Dan Hook.....	216
Experimental Treatment of Lungworm in Wild Bighorn Sheep Using Fenbendazole Available At Free-Choice Treatment Stations Keith Aune, David Worley, Mike Frisina, Bill Semmens, Todd Becker.....	220
Phenotype Evaluation of Free-Ranging European Mouflon (<i>Ovis orientalis musimon</i>) on Kahuku Ranch, South Point Hawaii Michael R. Frisina, R. Margaret Frisina.....	229
Evaluation of a Multivalent <i>Pasturella Maemolytica</i> Toxoid Bacterin in Protecting Bighorn Sheep From Pneumonia After Exposure to Domestic Sheep Bill Foreyt.....	235
